

WHEN HE FINDS OUT ABOUT OUR BABY...OH, GOD.SUMMERI didnt have an outlaws baby. Honest.I didnt run, didnt hide our son, didnt suffer alone. Theres not a b\*stard with a gun to my head, sending me running to the bad boy I left behind. Making me lie to everyone.Yeah, Im full of it.Heres the truth - Im frozen because Im finally face-to-face with the wild, gorgeous man with the icy stare who lit me on fire three summers ago. Joker rocked me to my core, left me with a kid, and its just a matter of time until he discovers everything.Never have an outlaws baby. Theyre cute, but they come with serious strings attached.Like Jokers kiss. I can already taste it, the growl rising in his throat. Coming for my lips, coming for the truth, coming for me.JOKERPure hell tore my heart out one night three years ago. There aint room in that hole for Summer, a lyin spitfire I swore Id never see again.I screamed, I shoved, I told her to get out, and stay out. Made myself numb so Id forget about those lips I used to own, or having her between the sheets.Worked like a charm til...the kid.I know hes mine. Know something evil isnt adding up. Know hes the first light Ive had in the darkness for years, and Summers the second.If she hates me, I dont give a damn. This baby changes everything.She aint running anymore. Neither am I.Ill put my name on her sweet skin. Hear her beg the way she used to. Remind her that a woman never has an outlaws kid without sharing his bed, his bike, his brand. Always.The Outlaw Love books are stand alone romance novels featuring unique lovers and happy endings. No cliffhangers, no cheating, and a secret baby surprise! This is Joker and Summers story in the Deadly Pistols MC series.
