

## Nice Girl Naughty

Blind since nineteen, Summer has blossomed into a famous wood carver. When she's almost killed by a serial killer, she's whisked away to a secluded wilderness cabin by the man she once secretly loved. Summer can't get enough of touching professional bodyguard Nick Cassidy's thick, powerful muscles and all those other hard, yummy male body parts that she has always longed to explore. For years Nick has stayed away from his best friend's kid sister, nice girl Summer. Now he's back, and sweeping his gorgeous redhead into the naughty cravings he's always had for her. With passion blinding him, Nick doesn't realize their hideout isn't safe until it's too late.
