

# Holding You

Lauren Reynolds wanted only two things in life - to run her fathers horse breeding business and Colt Mathews. Fearing Colt would take her position within the family business, she tried to push him far away from her heart. When life could no longer keep Lauren and Colt apart, their two worlds became one. Every second of every moment they spent together. Their love bloomed into something neither of them imagined - a bond so strong Lauren and Colt believed nothing would ever stand in their way. However, life threw a cruel twist into Colt and Laurens planned happily ever after. Will fate let them live out the life they dreamed of, or will one of them be left alone, lost and angry? Ill spend forever holding you...even if its only in my memory.
