

## Running Away (Just Say Yes) (Volume 4)

Nearing age thirty, Jeremy James is cruising along in life, doing as he pleases. No girlfriend, no wife, no drama. Women go as easily as they come, but inside, he feels somethings missing. After the birth of his niece, Hannah, and a not so gentle nudge from his sister, Zoey, Jeremy decides to make a change in his life and settle down. Then he meets Teagan Donnelly. And she wants nothing to do with him. Teagan has recently come out of a three year relationship with a man who cheated, shamed her, and berated her for her weight and life choices. The once secure yet spirited woman cannot figure out what Jeremy wants with her. For Jeremy, its plain and simple. He wants Teagan to stop running away and give him a chance. But for Teagan, taking a chance with Jeremy means she could lose herself all over again.
