

## The Bludworth Chronicles: Origin: A short story in The Willow Creek Vampires Series

You met vampire Remy Bludworth in the Willow Creek Vampires Series. Now join him in this short companion story as he recalls how he became a vampire and the hell he lived through just before his life was completely transformed. If you haven't read Craving (Book #1 of The Willow Creek Vampires Series), I don't recommend reading this first, as you won't be familiar with the character and some of the aspects of the story might not make sense. Please consider leaving a review after you've read this story. Leaving a review for books you've read is a tremendous help to authors and readers alike. It doesn't have to be a 5-star review and can be as little as a few words as long as you're honest in your opinion.
