

Shifting Triumph; A Paranormal Love Story of Karina and Jules (A Story of Paranormal and Fantasy Romance MagicKeepers Series Book 3)

Can Jules and Karina ever put their lives back together again? Are they able to shift the triumph onto themselves? Jasmine Bowen and Zhu Hsia once again bring their special brand of magic to their novel *Shifting Triumph*, a coming-of-age, paranormal romance and the final book in the series, *The MagicKeepers Series*. When Jules' magic threatened to get out of control, his girlfriend Karina, a gifted linguist and a scholarship student at a renowned college in Louisiana, was ready to drop everything to help him. She persuaded Jules to enrol at the top secret Witches Academy in New York, and she was able to swap universities as well as getting a coveted internship as a translator with the UN. Three years on they are still in New York. Now in her graduation year, Karina is thrilled to be promoted to a UN interpreters booth--a signal honor--and she knows she is close to having her every ambition realized. But her happiness is little clouded, for Jules has gone back to drinking and gambling, and things start to go awry. His attitude toward Karina changes. He becomes defensive and secretive, and Karina wants to know why. Has Jules landed himself in debt--is he in the hands of the mob again--or worse, is he seeing someone else? Karina then discovers that her own life has been under the closest scrutiny by the UN authorities, and when she is suddenly confronted with the full implications of Jules' criminal past, it seems as if all her hard work must come to dust. Suddenly, the safe and orderly world she has so carefully constructed for herself and her lover is hanging in the balance. Can Karina save her relationship with Jules? And even if she does, will she still be obliged to leave him if she wants to follow the career of her dreams? As the cracks in her relationship with Jules become craters, her life is further complicated by the reappearance of her childhood sweetheart, and Karina is faced

with choices she doesn't want to make. But just as she finds she is resolving her problems, a cataclysmic event changes all their lives for ever--Can Jules and Karina ever put their lives back together again? Only the witch community and their magic can help--but will they be allowed to put their magic into practice? Are they able to shift the triumph onto themselves? Scroll up and grab a copy today.
