

## Perilous Light (The Afterglow Trilogy Book 2)

Would you sacrifice everything for a world you barely knew? A year has passed since Charlotte and Kevin first stepped through the gate into Energo and neither has been able to settle back into their normal lives. Charlotte tries to distract herself from thoughts of Calvin with the antics of James and her growing friendship with Liam. Kevin can't seem to shake his feelings for Samantha as he adjusts to his new identity as a college basketball player. When they unexpectedly return to Energo, both Charlotte and Kevin must face their fears and become the leaders they were always meant to be.
