

The Maids Secret

Twelve years ago, Jameson Parish spent a summer at her best friend Dancie Duvalls estate of Blue Chimneys. At first, it was all Jameson hoped for, including a passionate romance with Callen Marsh, the local bachelor that every woman seemed to have in her sights. When Dancie died in a suspicious fall off a footbridge, Callen was suddenly nowhere to be found, and Jameson left for college amid rumors linking her to Dancie's death. Now she returns to Blue Chimneys, hoping to clear her name and put her lingering feelings for Callen to rest. Callen, handsomer, wealthier, and more seductive than ever, falls in love with Jameson all over again. But, hungry to rekindle what they once had, he hides one devastating truth. Soon, sparks fly between them, igniting old passions and lighting the fuse that will send long-buried secrets and lies raining down like fireworks on them all.
