

Phantoms Rest

When Beauregard Barker leaves his military career due to injuries, he takes refuge at the Phantoms Rest RV Park, expecting no more than a place to recover as he helps renovate the park. When he discovers the place is full of ghosts, he's shocked but eventually adjusts to their presence. Then Emmeline Fairchild arrives for her annual stay and everything changes. Beau falls hard for the shy calligrapher who's being stalked by a killer. Whatever it takes, he's determined to keep her safe and persuade her he's the man for her.
