Buy This Book. Use This Book. Hide This Book. A beautiful woman walks into a bar. You see her and so does every other guy in the place. Somebody is going to make a move. Shouldn't it be you?

What if I told you that you could easily approach any beautiful girl of your choice? You'd know exactly what to do and say with complete confidence in order to get that girl to come home with you.

Imagine if dealing with women were as easy as following a set of rules that were guaranteed to work. Good news: Now it is!

In this book, you'll uncover my most advanced seduction secrets, including:

- * A simple trick which gets women to approach you, at any time (and it's not what you think).
- * The one simple, obvious thing that 99% of men simply do not do, that is guaranteed to turn you into a girl magnet overnight.
- * How to never be without a sex partner - and how to handle multiple sex partners at once.
- * How to avoid the mistakes that 99% of most make when dating multiple women.
- * How to end a relationship, but still receive benefits and special privileges.
- * And so much more!
