

# Power Time Management: More Time, Less Stress, and Zero Procrastination (Your Breakthrough for More Success, Happiness and Time Off)

What do you truly want to do? Is procrastination slowing you down? Have you become really frustrated with your own time management practices? Does success feel out of reach? Standard time management leaves so many of us frustrated and stuck. Many of us write To-Do Lists that end up as I Didnt Lists. Why? Because some speakers and authors attempt to foist a paint-by-number system upon us. No more! Power Time Management helps you listen to your own style, your own heart and your own needs. Master Coach Tom Marcoux guides you with effective methods to create your inner Autopilot Coach so you automatically get more done and increase your success, love and happiness! Here are more benefits of Power Time Management: save time get more done in less time reduce stress and worry increase success faster change behavior to achieve what you really want find time to experience relaxation, joy, and time with loved ones In Power Time Management, Tom Marcoux shares his extraordinary strategies and methods that save you time, make you money and increase your success and happiness. As Toms client for many years, I have benefited from his wisdom and strategic approach. Do your career and personal life a big favor and get this book! Dr. JoAnn Dahlkoetter, coach to CEOs and Olympic Gold Medalists and author of Your Performing Edge
