

The Princess Affair

Rhodes Scholar Kerry Donovan has never had anything handed to her on a silver platter. As she arrives at Oxford to begin her course of study, she is determined to make the most out of this latest opportunity. But when she meets Her Royal Highness Princess Sasha, second in line to the British throne, Kerry's priorities are eclipsed by an attraction neither of them can ignore. Sassy Sasha is a tabloid favorite who appears to delight in scandalizing her people, but beneath her vexed public image, Sasha longs to be truly seen. Will the tenuous connection she forms with Kerry be broken by the weight of the crown? Or will they find true love despite the forces endeavoring to keep them apart?
