Tana sings magic into her bonbons. Lolita rubs magic into the mirror frames she sands and stains.

When Gino resoles a pair of shoes, it changes a persons life. But it takes love to transform the hopes and dreams of the people whose gifts do so much for others. Tana tries to push Nate away, but that proves an impossible feat. Lolita looks in her mirrors and sees only a girl with fine, blond hair and solemn gray eyes. Midu believes shes doomed to always be single. But Emerald Hills cradles magic in every nook and cranny, and its effects transform tourists and users alike.
