This is an Anthology of 3 erotic short stories that are available individually. Do not purchase if you've purchased Marked, Dicked, and Tyed. **MARKED:** Small-town Maddie has moved on up to the big time and big is what she gets at the welcome-to-the-neighborhood party that just so happens on her twenty-ninth birthday, and Maddie is more than willing to meet Mark. In any aspect he wants. And Mark wants a lot. Actually, everyone at the party does. Especially each other. Numerous each others. There's more sex happening around her than Maddie has ever imagined. Is she willing to participate? Can she shed her small-town girl shyness to play with the big boys? With Mark willing to show her the way, she's most definitely willing to be **MARKED** for life by him. **DICKED:** Then there's Richard all his bachelor-party buddies out for a good time in New Orleans. Melody sure could use one of those. Life and her ex haven't been the best lately lately, so when she sees one of Rich's friends naked in the room across the courtyard, she's hoping things are starting to look up. Rich and his friends are definitely up for that. It's one hell of a hot time in New Orleans, and the weather's only part of it as Melody gets **DICKED**. **TYED:** Ty made Kiley's 22nd birthday memorable in the most erotic way and she's never lost the torch she's been carrying for him ever since. So when she has the chance to interview him for her job, Kiley's not about to let him slip through her fingers. And when Ty gives her a glimpse of his world in the most erotic way possible once again she means that in every sense of the word, because Kylie is all tied up in Ty.
