

Raynes Thunder (Part Five): The Battle Begins and the Games Continue (Dating a Werewolf Series Book 5)

Things are looking bleak for the Manchester family and their allies. Death surrounds them as the rogues move in for the kill. In the midst of all the chaos the games continue. Rayne is on a time table and so is the rest of the family. In *The Battle Begins and the Games Continue* Rayne finally chooses her mate. She also uncovers a conspiracy perpetrated by some of the contestants for her hand in marriage. Despite everything, happily ever after is within her grasp if she can just survive the rogue attack. This is the fifth installment of a six part romantic serial. Each part offers up romance, action, comedy, adventure, intrigue and suspense as the Manchester siblings attempt to meet their deceased fathers stipulation in his will.
