

One fateful night, by the grace of beer and peanuts... Morgan Kirkbride--the self-professed super fangirl of Silver Soul— falls for the sexy rock god, Nick D. Literally. Lands on her ass right in front of him. Morgan is sure the lead singer of Silver Soul thought she was a graceless flake, but instead asks her to a midnight diner and winds up back at her place. She's sure it's just a crazy one-night fling... Imagine her shock when the very next Monday at Allegheny County Courthouse, the highly respected, well-credentialed chemist Dr. Nicholas Dovadsky is called as a witness — and Morgan recognizes him as the rock god who rocked her bed. Sparks fly between them and Nick doesn't intend for anything or anyone to stop him from getting to know the spunky, curvaceous, if clumsy, woman. But things get complicated - fast. When an ex-boyfriend returns to haunt Morgan and her roommate, no one takes him seriously. When the simple threats become violent, perverse and horrifying, they realize someone is out to get her... and they aren't going to stop until they do. \*This book contains adult themes, language and sexual situations.
