

You want to pursue the dream inside you, but life is too crazy-busy for anything new... You're beginning to understand the fantastic adventure that your life could be and the dream that is calling out to you. You want to dive in, to offer your gifts to the world and make a difference. But HOW WILL YOU FIND THE TIME? The motivation is there, but you're far too busy, stressed out and exhausted to pursue a dream, no matter how amazing it might be. Your to-do list is always a mile long, and you can't simply walk away from your responsibilities to people and projects. Plus, you've got bills to pay. But lately it seems like your health and your relationships are suffering. Something needs to change. In Unshackle, the second guide in the Impactivity™ Series, bestselling author and noted entrepreneur Tracy Higley inspires you to break free of the hindrances holding you back from the call on your life.

You'll learn: How to stop creating your identity out of others' opinions of you as a super achiever How to break free of the lies and bondage of your heart, and find your identity in what God says about you How to simplify your day, heart, mind and house How to stop obsessing over how much you get done and the always unfinished to-do lists How to break the addiction to busyness and become effective instead—turning your life of productivity into a life of Impactivity.™ It's time to find the pathway to freedom, peace and contentment by unshackling your self-worth from your productivity and achievements. This short guide is jam-packed with practical wisdom, links to free resources and a process for finding the freedom to pursue the adventure of your life. "Inspiring, challenging, and freeing.
