

A Safe Place (Mills & Boon Vintage Superromance)

Cal Stewart has it all. Tall, blond and built, the football star is a smooth-talking charmer. But there's one situation he can't talk himself out of and now he's stuck doing community service at Frankie Devereux's after-school center for troubled teens. Six weeks and he's out of there. End of story. Except, from the start, Frankie gets under his skin. She's tough and vulnerable, passionate and guarded all at the same time. She makes Cal want to unravel her. Protect her with everything he's got. But he's no shining knight. What he should do is focus on his career and forget all about her. Too bad that's easier said than done.
