

## An Unplanned Life (Volume 2)

In the sequel/prequel to *An Unplanned Lesson*, Nicole and Dailan are living out their happily ever after, raising Ryan and their daughter. Nicole has the perfect life and is no longer running away from her emotions. But when her past collides with her present, that perfect life slowly begins to crumble. When Dailan gets in over his head taking on a huge case, that quickly becomes personal to him, Nicole and their marriage soon get put on the back burner. To make matters worse his new assistant is Rachel Wiser, the girl who made Nicole's life a living hell in high school. Take the emotional journey into Nicole's past when she's faced with old ghosts, while she tries to cope with the effects that it's having on her present. Nicole must prove that she is no longer a scared teenager and fight with all that she has to protect the one person that she endured so much heartache for while trying to save her marriage to the one and only man who allowed her to open her heart.
