

The Witching Pen Novellas Omnibus

Books 1 to 3 in this Omnibus Edition of the UK-based paranormal romance series that has taken readers by surprise! Includes the bonus short story, *Wilted*. (Because of its length, book 4 is available separately.)

Book One: *The Witching Pen*
Book Two: *The Sands Of Time*
Book Three: *The Demon Bride*

Elena, a thirteenth generation witch, is the most powerful witch on the planet; Amy is hidden from her true self, and Mary feels the pain of mankind. On the appearance of a magic pen, three women uncover family secrets and deep betrayal, to discover they are more than they've been led to believe - for better or worse. Alongside the men, demons and angels who love them, they are thrown into a supernatural world where time becomes muddled, where new and ancient merge, where forged bonds cannot be broken, and matters of the heart are never black and white. And then, there's the impending apocalypse. Unique, fun, fast-paced, sexy and passionate, this is paranormal romance that combines the dark with the light, and the sweet with the gritty.

Notes: contains mature content.

THE WITCHING PEN: It's hard being the most powerful witch on the planet. It's even harder when you're a twenty-five year old virgin who'll lose all of that power the moment you sleep with someone ... that's why Elena's never slept with her best friend and flatmate, Karl, despite the true feelings they harbour for each other. But on discovery of a magic pen, Elena's life is about to get a whole lot worse...

THE SANDS OF TIME: Elizabeth has no idea who she really is, Amy has gone missing without a trace, and Pueblo is going out of his mind trying to find the witch he accidentally bonded with. As he enlists the help of angels and demons alike, Elizabeth begins to remember... But what she uncovers may just have her wanting to turn away from who she really is ... for good.

THE DEMON BRIDE: Mary has

finally discovered who she really is, and what that means for the human race. What Mary doesn't know, is that Gwain has been searching for her for over ten thousand years, and had lost all hope of finding her. Now that he has her, he's faced with an impossible choice: does he save the woman who altered his very existence, or does he sacrifice her to save mankind?
