Blissfully unaware of everything that's smoldering below the surface, Amelia starts to think of Wyatt Key as Mr. Right, instead of Mr. Right Now. She has loved and lost before, but this sexy firefighter makes her ignore all of her fears. But will following her heart lead her to a path of heartbreak? Amelia's life will never be the same after Wyatt's secret past is exposed. Will she be able to recover all of the secret drama, or are some bombshells simply too big to overcome? After you see the jaw-dropping cliffhanger end to Scorching Hot, you'll be dying to see what happens in the next romantic drama book in this series, Fiery Passion. Will this burning romance lead to a fiery explosion? This sexy firefighter book contains steamy scenes and adult content, so it's best-suited for readers who are 18+.
