Ms. Barker strikes gold with this sensitive, yet snappy romance featuring a most memorable pair of lovers. Romantic Times Bookclub A delightful read. Ms. Barkers story is exceptionally well written, and her characters are both fun, and deeply moving. The white-knuckle ending of the book will leave you on the edge of your seat, until you reach the last page and grab the tissue box, and say, Damn That was a great book! I look forward to seeing more novels by this very talented author. Paperback Forum Maggie Malone traveled to Oklahoma in search of a change. She wanted a job that challenged her with each new sunrise. The secretarial position on the McCain ranch fit the bill. The only challenge she couldnt accept was the sexy invitation in the eyes of the ranch foreman. Solid, long-legged and handsome as hell, Curt Hayden belonged to the land. His untamed spirit made Maggie feel wild, reckless and hungry. Curt didnt know what to make of the petit city girl with the sassy mouth and smile.
