

First grade teacher and single mother Alexa Harris is no stranger to struggle, but for once, things are looking up. The school year is over and the lazy days of summer are here. Mini-vacations and relaxing twilight barbecues are on the horizon until Alexas free-spirited younger sister vanishes. Ransom calls and death threats force Alexa and her young daughter to flee their quiet home in Maryland. With nowhere else to turn, Alexa seeks the help of Jackson Matthews, Ethan Cooke Securitys Risk Assessment Specialist and the man who broke her heart. With few leads to follow and Abbys case going cold, Alexa must confess a shocking secret if she and Jackson have any hope of saving her sister from a hell neither could have imagined.
