

Hard: (A Sexy Bastard Novel)

Strong. Arrogant. Hard. Ryder Cole is the King of Atlantas nightlife and the one man who can erase my past. Im running from secrets that could destroy me and theres no room in my life for someone like him: too damn cocky, and sexy as hell. I should keep my distance, but smart goes out the window the minute he looks my way. And when he puts his hands on me...? A girl could forget her own name. But what happens when the past catches up with me, and all the things Im hiding from tear our lives apart again? I cant keep running forever, and Ryder always wins. Hes not the kind of guy to let me go gently, Ryder will give it to me hard.
