

## Slow Burn: A Driven Novel

From the New York Times and USA Today bestselling author of the Driven series. ONE NIGHT. THATS ALL IT WAS SUPPOSED TO BE. Reeling from the sudden loss of her sister, Haddie Montgomery has sworn off relationships. All she wanted from Beckett Daniels was a sexy distraction to help her escape her pain for just a little while.... There weren't supposed to be any strings attached so why can't she shake the memory of that unforgettable night from her thoughts? Or the taste of his kiss from her lips? No matter how hard Haddie tries to forget about him, Becks relentlessly tries to prove that she should start living for today. But she is determined to avoid romantic commitment, and she can always use her ex-boyfriend's reappearance to help snuff out the slow burn within her that Becks has sparked.... Or will fate force her to realize that this kind of connection doesn't come along very often and a chance at love is worth the risk? PAPERBACK ONLY AN EXCLUSIVE BONUS SCENE
