

Curves for the Billionaire Wolf

To her surprise, Shannon has shifted from a beautiful curvy woman into a Chihuahua. Complicating matters, it happens the very same day her sexy billionaire ex-boyfriend reappears in her life. Unsure of what is happening to her body as she shifts back to human form, Shannon is only certain of one thing. She's never truly gotten over Declan. Could his appearance at this time be a coincidence? Declan is a powerful and wealthy alpha wolf who has tracked down his one true mate, only to find she's shifted into a domestic dog. He'll have to use the full strength of his seductive alpha power to save Shannon from remaining a Chihuahua shifter. The bad news is that time is running out. Will Declan have the raw animal magnetism necessary to bring out Shannon's inner wolf and complete her? This is a standalone 10,000-word story.
