

Sneaking Candy

All I ever wanted was to make a name for myself as Candice Salinas, creative writing grad student at the University of Miami. Of course, secretly I already have made a name for myself: as Candy Sloane, self-published erotic romance writer. Though thrilled that my books are selling and I have actual fans, if anyone at UM found out, I could lose my scholarship...and the respect of my faculty advisor, grade-A-asshole Professor Dylan. Enter James Walker, super-hot local barista and--surprise!--my student. Even though I know a relationship is totally off-limits, I cant stop myself from sneaking around with James, taking a few cues from my own erotic writing...if you catch my drift. Candys showing her stripes for the first time in my real life, and Ive never had so much fun. But when the sugar high fades, can my secrets stay under wraps? *Make sure to check out Candy Sloanes debut novel The Reality O available now! *
