

Southern Spirits (The Southern Series Book 3)

Southern Spirits, the third and final book in the Southern Series, continues the spirit-filled romance between Chandler Collins and Banton Gastaneau. Chandler's perfect life is within her grasp. Pregnant with twins, she anxiously waits for Banton and the SEALs return from their last deployment. The ongoing battle between the SEALs, Aldon and Somali Orcos escalates with an urgency to finally end the conflict and stop Dante and Lucian. While the rest of the SEALs fight in Somalia, John is left behind to allow a period of mourning for Brie, and he watches over Chandler with Everett's help. As questions about the blood-thirsty Orcos and Everett's past are about to be answered, tragedy strikes. While Chandler tries to cope with her own grief, she fights a different kind of battle...her feelings for John and a quest to reunite him with a transformed Brie. With the help of the Southern Spirits and eternal love surrounding her, her life comes full-circle as she embraces the past and fights for her future and her family.
