

Wished Away: A Broken Fairy Tale

AN EMOTIONAL ROMANCE RECOMMENDED FOR AGES 18 AND UP DUE TO SEXUAL SITUATIONS AND STRONG LANGUAGE. Imagine that you were married to the love of your life and had a happy family. Now imagine everything was destroyed in an instant, making you question who you are and how you can possibly go on once the one person you truly love is gone. It is a rare thing to find your soul mate, but Jess found true love in Dave when they were only teenagers. They've built a happy life together in a small shore town, becoming pillars of the community and making everyone around them envious of the perfect life they have built together. Their love is something that seems like it can only exist in a fairy tale. But what happens when the fairy tale is broken? Jess has always been the life of the party, and Dave was always there to reel her in and keep her safe. But one night, while on duty as the town Sheriff, the unimaginable happens, altering the directions of their lives forever.

Jess is now forced to dig deep in her soul and find herself again. When love tries to chip away at her frozen over heart, she struggles to fight the guilt of moving on while keeping the memory of her perfect love alive. This is a story about finding love, having it all taken away, and discovering that moving on doesn't mean forgetting the past. ***This is the second book of the A Broken Fairy Tale series, but can also be read as a stand alone
