

## STROKED (The Stroked Series Book 1)

Reese King: Olympic medalist, underwear model, Greek god. His body is chiseled from rock, sculpted by the weight room, and refined by water. On a daily basis his skin is completely bare for everyone to see, tan and defined, only covered up by a minuscule piece of spandex. There is no denying his sex appeal. I hate to admit it, but I'm head over heels infatuated with him.

There is one HUGE problem though. His achingly gorgeous abs, inked up arm, and cocky swagger belong to my boss, the high-profile, reality star bitch from hell and certified heinous human being, Bellini Chambers. What I think is going to be an easy job assisting a glorified wench turns into a cluster f\*ck of epic proportions.
