PLEASE NOTE: Due to explicit sexual content, this book is intended for mature readers only. In a week, straight A student and total good girl Leah Todd is supposed to graduate with her bachelors degree. Then she receives a mysterious tarot card in the mail and everything changes. The tarot card seems to serve as a VIP ticket into a show by a metal band called The Forbidden. Shes never heard of them before, but the instant she lays eyes on the lead singer, Rage, she knows that shes much more than a fan. Shes found where she needs to be. Weirder still, the band agrees. Theyve been waiting for a tarot witch like Leah to save Graham, a dying werewolf, by mating with him. The problem is that Leahs not a witch, she doesnt believe in magic, and she quickly falls for the wrong werewolf. But Donne doesnt seem to return the feelings. In fact, he might kind of hate her. As high priest of his coven, Rage has solutions for Leah. All she needs to do is surrender her life to the coven, the werewolf pack and to him.
