

## Tempest Rising (Jane True)

THE START OF A BRAND NEW URBAN FANTASY SET IN SMALL TOWN MAINE WHERE EVERYTHING IS NOT AS IT SHOULD BE...Living in small town Rockabill, Maine, Jane True always knew she didnt quite fit in with so-called normal society. During her nightly, clandestine swim in the freezing winter ocean, a grisly find leads Jane to startling revelations about her heritage: she is only half-human. Now, Jane must enter a world filled with supernatural creatures alternatively terrifying, beautiful, and deadly- all of which perfectly describe her new friend, Ryu, a gorgeous and powerful vampire. It is a world where nothing can be taken for granted: a dog can heal with a lick; spirits bag your groceries; and whatever you do, never-ever-rub the genies lamp. If you love Sookie Stackhouse, then youll want to dive into Nicole Peeler's enchanting debut novel.
