

That Wild Texas Swing (Lost in a Boom Town) (Volume 2)

Liz Salazar has a reputation for being wild, and its well-earned. But the women of Evansville, Texas, choose to overlook it since shes an excellent stylist, with her own shop on the square. But when the handsome young mayor shows interest in Liz, thats a different story. Suddenly everyone has an opinion, and none of them are positive. Killian Dawson has always toed the line. He continued his fathers legacy by running for mayor, and is leading the town of Evansville through the changes brought about by the oil boom. His one rebellion is his interest in Liz Salazar. Hes had a crush on her for years, and hes ready to make his move despite the towns disapproval. The reaction of the town is predictable, but the more time he spends with her, the more he knows shes the one for him. And she is ready to change her ways, but not until after taking him on a wild Texas swing.
