

## The Body in the Snowdrift (Faith Fairchild series Book 15)

Caterer Faith Fairchild has a bad feeling about her father-in-laws decision to celebrate his seventieth birthday with a family reunion ski week at the Pine Slopes resort in Vermont -- the Fairchilds favorite getaway since Faiths husband, the Reverend Thomas Fairchild, was a toddler. At first her unease seems unfounded -- until Faith comes across a corpse on one of the cross-country trails, the apparent victim of a heart attack. Then one catastrophe follows another: the mysterious disappearance of the Pine Slopes master chef, a malicious prank at the sports center, a break-in at the Fairchild condo, the sabotage of a chairlift. And when a fatal accident with the snow-making machines stains the slopes blood red, Faith realizes she has to work fast to solve a murderous puzzle -- because suddenly not only are the reunion and the beloved resorts future in jeopardy ... but Faiths life is as well.
