

## Lost Our Forever (Blue Silver Book 1)

It should have been the best night of their lives. Twenty years ago a broken-down limo kept the Silverettes from a teenagers dream backstage access at a Blue Silver concert. Now they have a chance to recreate that night and so much more. Cassie Bryant didn't let a flat tire deter her 20 years ago. As soon as she hit 18 and graduation, she took off after pop band Blue Silver, determined to make lead singer Seth Graham her future. It worked until pressure, drugs, and a tanking final album tore apart not only their marriage, but the entire band. Now Blue Silver is making a comeback, and Cassie's friends want her to use her connections to bring the band to their hometown so they can live their aborted dream. Against her better judgment, she agrees. But will the concert and after-party create the magical night they'd always wanted? Or will her friends face the same disillusionment she did? Worse, when Seth wants to reconcile, she finds it difficult to resist despite the same pressures and temptations that ruined them last time. Blue Silver includes: Lost Our Forever by Natalie J.
