BOOK DESCRIPTION: Jess is caught off guard when a sexy stranger buys her a cup of coffee and asks her to sit with him. Hes mysterious, nice, and even though he says the right things at the right time, Jess can sense that theres something hidden about him.*As Johnnie sits across from the beautiful woman, he cant believe she doesnt recognize him. Everyone does. It comes with the territory when youre the lead singer of one of the hottest bands in the world, Chasing Cross. With one more show to go before taking a small break in touring, it feels like luck is on Johnnies side. That is, if he can find a way to tell Jess who he is, without scaring her off.*After her best friend begs her to come to a concert, Jess finds herself standing in the middle of a crowd. The lights are off, music begins, and the crowd erupts in cheers. She doesnt know much about the band, but thats all about to change. When the lights come on, Jess cant believe her eyes. The lead singer of the band is the man from the cafe.*Plucked from the crowd during the show, Jess makes her way backstage. The encore may have ended on stage, but the real show is just about to begin. Johnnies passion quickly turns to romance but the more time he and Jess spend together, the more things get complicated. Johnnie has a big decision to make about himself and the band, testing his loyalty and love for the music, and when Jesss dreams start to come true, she starts to realize that true love exists, but its not always an easy path to take.____KarolynJames.wordpress.com@ KarolynWritesfacebook.com/KarolynJame
