

Make Her Pay (The Bullet Catchers Book 8)

Bullet Catcher and former Navy SEAL Constantine Xenakis has infiltrated a dive ship to discover whos plundering priceless gems from a legendary sunken Spanish galleon. When he catches Lizzie Dare red-handed in the locked treasure room, her story of a stolen ancestral legacy convinces him to work with the sexy thief instead of turning her in -- and not just because he wants to find the real culprit. Lizzie is willing to risk everything to save the Bombay Blue Diamonds from her sworn enemy, even if that means giving in to an irresistible desire to get closer to her accomplice. But when passion hits them like a rogue wave and danger surrounds them like a school of hungry sharks, their adventure on the high seas turns treacherous...and deadly.
