

MARLEY IS A COMPANION NOVEL TO CARNAGE #1&2, WHICH SHOULD BE READ FIRST. ‘So, they want me to write a book? They want to know about my band, my life, my loves and my losses. But they have no idea what they’re asking for. If I give them what they want, they’ll get so much more than the sex and drugs and the rock and roll they’re expecting. They’ll get the secrets that I’ve kept for so long, they’ll get an insight into the person I really am, or at least was. They think they know my story, they know nothing. If I do this, if I write honestly and give them the ugly truth, people will get hurt. People that I love, people that have already suffered in the worst possible ways. Do I do this, or do I walk away? Taking my secrets to the grave.’ Marley is an adult contemporary romance. It contains content suitable only for grownups with an open mind. There are scenes of group sex which include m/f/m a little bit of f/m/m and even some f/f/f/m/m/f/f/f. There is drinking and drug taking involved. A lot of swearing, some Essex slang and some very high emotion. Please don’t complain after reading this book that you wasn’t warned. And yes, of course you’ll need tissues.
