

If you love J. S. Scott and Helen Cooper, don't miss Laura Marie Altom's Shamed series! Ella Patton and Liam Stone return in Possess, the breathtaking conclusion to the steamy, contentious love affair that began in Control. Will you marry me? Those four little words should be a dream come true. But for Ella Patton, they're the start of a waking nightmare. For despite the insatiable desire she feels for Liam Stone, marriage is out of the question—not that she doesn't want to ... but because she can't. Liam has taught her that love doesn't need a document to secure commitment. Marriage is more than a piece of paper, so why can't he be happy the way things are? Liam has hit a brick wall. His fortune can't buy Ella's freedom, though that won't stop him from having her. Liam didn't become a billionaire by not pursuing what he wanted. Together they face the demons from her past, but above all they have one force greater than money and influence on their side: love. Will that be enough for them to overcome the obstacles and possess the life they both long for as husband and wife? Praise for Possess “Emotional, passionate, engaging ... Liam and Ella are a couple to root for. Readers who loved Control will devour Possess in one sitting!”—Stacey Kennedy, USA Today bestselling author of Desired “Well written and detailed with characters you aren't likely to forget, Possess was a terrific story that took me from the highs of undeniable love to the lows of human depravity to the richness and rightness of what life can be for characters desperately needing a happily ever after.”—Written Love “The author puts you ‘on your toes’ for most of this book with the ex-husband coming back into the scene and finding Ella. An easy five stars from me.”—Gemma Reads Too Many Books For It to Be Normal “One word of warning ... You will become addicted to this book!”—Brit Nanny Reads Praise for Control “Touching, sad, sweet, and sexy, Control will have you cheering for Ella and Liam right up to the end. Then you'll start counting the days until we get to find out how their story really ends. Or begins.”—Laura Drewry, USA Today bestselling author of Prima Donna Includes a special message from the editor, as well as an excerpt from another Loveswept title.
