

Farmer Wants A Wife

The rules of the game are simple: the man pursues until the woman catches. Love and Friendship, Book 3 Think finding the perfect lover is difficult? Ask Susan Webb-she knows it is. Lonely, tired of dull routine and dud men who only think with their lower brains, she takes a calculated risk to shake up her lackluster life. Now shes set to take part in a reality dating show. Her objective: to find a good, honest man whos up for enjoying lots of sexy fun on the road to love. Failure is not an option. One look at his older brothers Farmer Wants a Wife candidate, and Tyler Penrith is intrigued. Prim and proper on the surface, she has a secret smile in her eyes and an exotic dancer sway to her step. And calamity follows her around like a tame dragon. Susan might be in his brothers age group, but Tylers not about to let Nolan waltz off with the first woman to snare his attention in ages. As the shows ratings go through the roof, Susan finds herself falling for the wrong man-and her simple plan for happiness on the brink of falling apart. Warning: Contains sibling rivalry, lots of sneaking around, sexy times in the great outdoors, a bright blue vibrator, and a reality show thats giving everyone something to talk about.
