

Defenders Blood Alexs Destiny (An Urban Fantasy)

Alex has no idea her life is about to change beyond her wildest imaginings. She is the last in a long line of very special females born for a dangerous task, and she isn't sure she is up to it. Zach, her vampire protector, is just as sure she is. Demon attacks, angels and even the ultimate, divine intervention, shake Alex to her very core. Can she do this? Can Zach keep her safe? The alternative is unthinkable: demons once more ruling the earth. Zach has to ensure that Alex puts a stop to this - and quickly! Read *Defenders Blood, Alex's Destiny Book 1* in the *Defenders* series. Please be aware there is some adult content in this book.
