

Whole Brain InnerTalk is a patented technology that has been independently researched and demonstrated to be effective. All positive messages are delivered to the subconscious mind using special shadowing techniques. These positive affirmations replace old, negative, self-limiting self-talk, and therefore enables you to find success in whichever area you choose. All programs come with a complete list of the affirmations. Everyone experiences depression at one time or another. Its effects can be short or long term, have minor impact or become disabling. Demonstrated effective, this program helps you lift the cloud of depression helping you to enjoy life with energy and enthusiasm. Sample Affirmations I love life. I love living. I feel great. I laugh. I choose happiness. Life is fantastic. Living is learning. I contribute to life. I sense good in all. I am lucky. I am in control. Love is the lesson, etc. About the Author: Eldon Taylor is an award winning, New York Times best selling author of over 300 books, and audio and video programs. He is the inventor of the patented InnerTalk technology and the founder and President of Progressive Awareness. His books and audio/video materials have been translated into more than a dozen languages and have sold millions worldwide. Eldon is the host of the popular radio show, Provocative Enlightenment. Note: Our programs are for educational and spiritual purposes only. No therapeutic claims of any kind are made regarding these recordings.
