One hundred pages of lifesaving advice for people out of work. When over ten million people have needed help with their job-huntor with figuring out what to do with their lifethere is one person they have turned to, more than any other. He is Richard N. Bolles, author of the #1 job-hunting book of all time, What Color Is Your Parachute? His name is well-known around the world. Just during the last twelve months, he has appeared in Time (10 Ideas Changing the World Right Now, March 2009), U.S. News & World Report (deemed savior of the nations unemployed, October 2008), NBCs Today Show (broadcast in April 2009), and many other publications and shows.
