

The Little Bookshop On The Seine (The Little Paris Collection, Book 1)

I adored this book right from the beginning. The Bookshop on the Seine was another delightful read by Rebecca Raisin. I reviewed the book, *Visit Paris* this year and fall in love under the Eiffel Tower. *Le Vie En Rose* Bookshop owner Sarah Smith has been offered the opportunity to exchange bookshops with her new Parisian friend for 6 months! And saying yes is a no-brainer after all, what kind of a romantic would turn down a trip to Paris? Even if it does mean leaving the irresistible Ridge Warner behind, Sarah's sure she's in for the holiday of a lifetime complete with all the books she can read! Imagining days surrounded by novels, munching on croissants, sipping cafe au laits and people-watching on the Champs-Elysees. Sarah boards the plane. But will her dream of a Parisian Happily-Ever-After come true? Or will Sarah realise that a fairytale romance in the city of love isn't quite as rosy in reality? A deliciously feel-good romance perfect for fans of Debbie Johnson and Julia Williams. Watch out for more in *The Little Paris Collection*.
1. *The Little Bookshop on the Seine*
2. *The Little Antique Shop under the Eiffel Tower*
3. *The Little Perfume Shop off the Champs-Elysees*
What reviewers are saying about *The Little Bookshop on the Seine* by Rebecca Raisin: writing twinkles off the page, enveloping the reader fully within Sarah's world in Paris. It's like a love letter to Paris, emphasising all that is beautiful and engaging about the city. If you're a booklover or a Francophile, you will adore this book. - Sam Still Reading
This novel is a love letter to Paris, and even more so a love letter to books; it is absolutely a must-read book for book lovers. Rather too fond of *Bookseasy* to read and devoured quickly, I literally could not get enough and I was so sad to finish it. It was a truly captivating, spellbinding tale of taking chances and living life to the full that I am sure will ring true with many

readers. Compelling Reads I love love love this author, and this book cements the fact that this series is a winner! Fiona (Goodreads) I loved every second of The Little Bookshop on the Seine, easy to read, with words oozing charm and good feeling, that just made me feel warm and cosy. Rachels Random Reads a beautifully written novel Hilda (Goodreads) A delightful story that's perfect for reading in your favorite cozy chair. Such a good book to lose yourself in. Janet Robel (Goodreads) It really brought Paris to life extremely romantic, love is most definitely on the menu Elaine (Goodreads) a great escape to Paris and I'm looking forward to the other books in the Little Paris Collection.
