

## Taken by Night: BBW Paranormal Shape Shifter Romance (Night and Day Ink Book 4)

A BBW Tigress and a smoking hot Wolf heat up the sheets in this sexy story! It was supposed to be one night. No strings. No names. Just sex. Valentina Cruz is a sexy, curvy woman with a new job thanks to her sister and cousin. But with the awesome job comes her heat and desperate need to mate. And she's out of medicine to help her cope. Brett Night is going to his hotel when the delicious scent of a tigress in heat stops his wolf on his tracks. With bountiful curves, gorgeous mocha skin and lips made for kissing, she's exactly what he'd hoped for in a mate. Who cared that they were different species? After a night of sin, Tina realizes she isn't just over her heat, she's got bigger problems at hand. Like the fact her one night stand turns out to be her boss. Unfortunately for her, it appears one night wasn't really what he had in mind. Reader Note: This story contains some smokin' hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a curvy woman who loves her body, a man who will do amazing things with his tongue and some cheeky humor, this is the story for you. Enjoy.
