

Kids & Their Clutter: Practical Minimalism for Challenging Messes (Practical Minimalism Book Series 3)

There comes a time in everyones life when you realize your life is too messy and youre simply too busy. Clutter has taken over your life! If youre living with anyone else, their clutter and hectic schedules affect your life as well. Attempting to live a simple lifestyle with a family and children can be challenging. A messy house and a hectic schedule seem inevitable when you are raising a family. Kids & Their Clutter takes a practical look at the excess and clutter that can be eliminated from our childrens lives. It covers topics such as breaking your childs attachment to toys, video game addiction, and understanding older children and their clutter. This book will give you tools to help lead your family on a journey to live with less.
