

Miss Honeyford was sour on romance, but she had been duly dispatched to London to save the family fortune by hunting for (and securing) a wealthy husband - and thereby proving her role as a loving if not entirely dutiful daughter. Honoraria obeyed. But if she was reluctantly willing to surrender her hand, this beautiful young lady who could ride, shoot, and argue with any man was not about to lose her head or her heart to any of the dismal cads n lads of the Marriage Mart. First she met the arrogantly attractive Lord Alistair Stewart, who treated her infuriatingly like a little girl. And then she met the skillfully seductive Lord Channington, who treated her intoxicatingly like the desirable full-grown woman that she was. But now that she had a choice, which role would she choose and just how much risk was she willing to run.

**ABOUT THE SERIES** Determined heroines run the gamut from those who set out by running a confectioners sweet shop to others who are willing to disguise themselves as boys to get by and do what they have to do. Whatever the matter, the Regency series brings us heroines of style, grace, and determination - women who are not afraid to use their smarts to seek the stature or standing they feel they need. They may come from humble beginnings (or not, depending) but what these heroines share is a determination unmatched that leaves us turning page after page as we follow them in their dance.

**ABOUT THE AUTHOR** From 1977 to the early 1990s, Marion Chesney wrote over one hundred romance novels. Now writing as M. C. Beaton, she is the bestselling award-winning author of two internationally successful mystery series - HAMISH MACBETH and AGATHA RAISIN. She lives in the United Kingdom.
