

## The Real McCoy

Stephanie Hays, RN, has been infatuated with the handsome, well-respected Dr. Peter Granville since her days in nursing school. And now she has the good fortune of working alongside the Great Granville in his hospital unit. There, she spends her days longing for precious scraps of his attention, even if they're won only by her legendary clumsiness. Dr. Luke Carter is Granville's senior resident and a man who attracts women like ants to a picnic. But the only woman he wants is Stephanie, and she's blinded by her attraction to Granville. She fails to see him through Luke's eyes: as a cold, egocentric bully who'll do anything to get to the top. Determined to make Stephanie realize the unsettling truth about her idol, Luke conceives a plot to reveal Granville for who he really is. Is this the ticket to winning Stephanie's heart at last or will it drive her straight into Granville's arms?
