

## The Slow Burning Love of God (Klemp, Harold. Mahanta Transcripts, Bk. 13.)

Jacket Copy What happens to those first bright flames of your most profound spiritual experiences? Most of us have known some kind of religious conversion, dramatic shift of consciousness, out-of-body experience, or renewed spiritual awareness. You know what youve found is real, but as the intensity fades, you wonder. Are you left with only dying embers? Or do you discover the long-last, slow burning love of God? You will, as you keep giving of yourself. This is how love endures. In The Slow Burning Love of God, the thirteenth book of The Mahanta Transcripts series, youll find simple, true-life stories, unique insights, and more than thirty different techniques to show you how to experience the presence of God in your life. Move into higher states of consciousness, see truth when it comes to you, solve problems, and find your next spiritual step. The Mahanta Transcripts are excerpts from Harold Klemps worldwide speaking tours. They offer study aids for greater spiritual understanding, and are an excellent introduction to Eckankar.
