

Ascension (The Transformed Series Book 4)

Two alluring vampires. Ancient prophecies. One determined queen. Cliff Montgomery and Alrekur Vidarsson both want to marry Alexis. One is an arrogant three thousand year old ancient ruler who has waited his entire life for her. The other is the love she has waited for all her life. The prophecies say she will choose the ancient Alrekur, and they are supposed to never be wrong, but Alexis is determined to find a loophole. When she is forced to spend time with Alrekur and begins to see his charm, she is torn. Her heart still belongs to Cliff, but would it be so awful if the prophecies were fulfilled?
